Case No. 14-CV-04879-HSG (EDL)

**STIPULATION AND REQUEST TO  
CONTINUE THE SETTLEMENT  
CONFERENCE; ORDER**

WHEREAS, Defendants have just recently received Plaintiffs' Settlement Demand with the amount of damages sought and are not in a position to participate in a meaningful settlement conference until conducting full discovery concerning the claims, defenses, and damages. To date, the parties had agreed keep discovery to a minimum until the Settlement Conference was held. However, given the demand sought by Plaintiffs, Defendants are not in a position to be able to participate in a meaningful Settlement Conference without deposing Plaintiffs and serving and obtaining substantive responses to Request for Admissions, Special Interrogatories, and Request for Production of Documents.

WHEREAS, the parties agree to continue the Settlement Conference presently scheduled with the Court on July 24, 2015 until the Defendants have conducted sufficient discovery to be in positions to participate in a meaningful settlement conference.

NOW, THEREFORE, the undersigned parties hereby stipulate, agree, and respectfully request the Court to continue the Settlement Conference from July 24, 2015 to September 23, 2015.

IT IS SO STIPULATED.
